All about... Butterflies!

Welcome Song

Can't Wait to Celebrate By: Jim Gill

We clap our hands when we get together, clap
our hands to celebrate.
Clap our hands when we get together,
my friends and I can hardly wait.....
To stamp our feet when we get together...
To wave hello when we get together...
To bounce up and down when we get together...
To clap our hands when we get together...

Five Little Butterflies

5 little butterflies on flowers galore, one flew
away and then there were 4.

4 little butterflies among the sweet peas, one
flew away and then there were 3.

3 little butterflies with nothing to do, one flew
away and then there were 2.

2 little butterflies resting in the sun, one flew
away and then there was 1.

1 little butterfly now the only one, she flew
away and then there were none!

Silly Dance Contest By: Jim Gill

Dance anyway you want to, dance anyway you
please, dance anyway you want to, but stop when I
say freeze.

Dance anyway you want to...
Jump as high as you want to...
Dance as fast as you want to...
Dance as slow as you want to...
Dance anyway you want to...

Tooty Ta By: Dr. Jean

Thumbs up...
Elbows back...
Feet apart...
Knees together...
Bottoms up...
Tongue out...
Eyes shut...
Turn around...

Goodbye Song

On my face I have a nose,
and way down here I have ten toes.
I have two eyes that I can blink,
and I have a head to help me think.
I have a chin and very near
I have two ears to help me hear.
I have a mouth that I use to speak,
and when I run I use my feet.
I have two arms to hold up high,
and here's a hand to wave goodbye.
